I Saw Mommy Kissing Santa Claus

```
C                          Em    Am
I saw Mommy kissing Santa Claus
C                                G7
Underneath the mistletoe last night
G7
She didn't see me creep
          C
down the stairs to have a peep;
    D7
She thought that I was tucked
          G7
up in my bedroom fast asleep

      C                        Em    Am
Then I saw Mommy tickle Santa Claus
C                 C7                F      A7   Dm
Underneath his beard so snowy white;
            F                      B7
Oh what a laugh it would have been
   C            A7   Dm
If Daddy had only seen
     G7  C                F      G7  C
Mommy kissing Santa Claus last night       G7 TO REPEAT
```
