

A Kind of a Hush

Herman's Hermits

Herman's Hermits took it to #4 on the Billboard Hot 100 and #6 in the United World Chart in 1967, eclipsing a cover version which had been released by Gary and the Hornets that had garnered regional success in the United States. Nine years later, the song was a worldwide smash for The Carpenters.

November 2007

There's a kind of hush
All over the world tonight
All over the world you can hear the sounds
Of lovers in love - you know what I mean
Just the two of us
And nobody else in sight
There's nobody else and I'm feeling good
Just holding you tight

So listen very carefully
Closer now and you will see
What I mean - it isn't a dream
The only sound that you will hear
Is when I whisper in your ear
I love you... forever and ever

There's a kind of hush
All over the world tonight
All over the world you can hear the sounds
Of lovers in love

So listen very carefully
Closer now and you will see
What I mean - it isn't a dream
The only sound that you will hear
Is when I whisper in your ear
I love you... forever and ever

There's a kind of hush
All over the world tonight
All over the world people just like us
Are falling in love
Yeah, they're falling in love - hush
They're falling in love - hush
