

# ALL MY LIFE'S A CIRCLE

4/4 1...2...1234

**Intro:**

**CHORUS:**

All my life's a circle, sunrise and sun-down;

The moon rolls thru the nighttime till the daybreak comes a-round.

All my life's a circle but I can't tell you why;

The seasons spinning round again, the years keep rollin' by.

**Coda: repeat line, (starting on Dm7),end on C**

It seems like I've been here be-fore, I can't remember when;

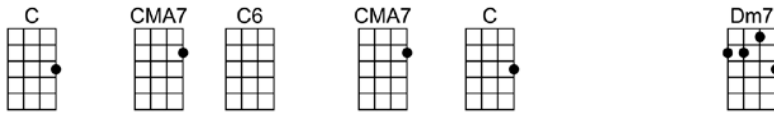

But I got this funny feeling that we'll all get to-gether a-gain.

There's no straight lines make up my life and all my roads have bends;

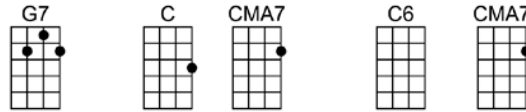

There's no clear-cut be-ginnings and so far no dead-ends.

**Chorus (All my life's.....)**

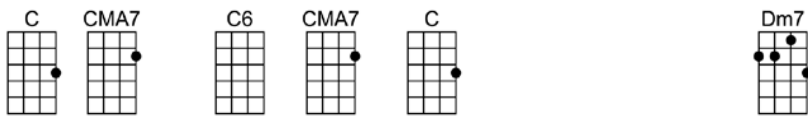

**p.2 All My Life's a Circle**

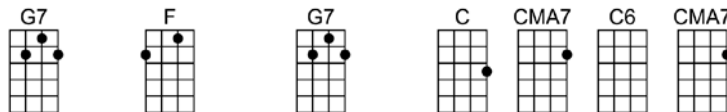

**I found you a thousand times, I guess you done the same;**

**But then we lose each other, it's like a children's game;**

**As I find you here a-gain a thought runs through my mind;**

**Our love is like a circle, let's go 'round one more time.**

**Chorus (All my life's.....)**
