

F **Dm**
Every night I hope and pray, a dream lover will come my way
F **Dm**
A girl to hold in my arms, and know the magic of her charms...

Chorus:

F / **C7 /**
'cause I want (yeah-yeah yeah) a girl (yeah-yeah yeah)
F / **Bb /**
to call (yeah-yeah yeah) my own (yeah-yeah)
F **Dm** **Bb** **C7** **F**
I want a dream lover so I don't have to dream alone

Verse:

F **Dm**
Dream lover, where are you, with a love, oh, so true?
F **Dm**
And a hand that I can hold, to feel you near as I grow old?...

F7

Bb **F**
Someday, I don't know how, I hope she'll hear my plea
Dm **G7** **C7 /**
Some way, I don't know how, she'll bring her love to me

F **Dm**
Dream lover, until then, I'll go to sleep and dream again
F **Dm**
That's the only thing to do, till all my lover's dreams come true...
