It must have been Moonglow that led me straight to you.

C6 F9#4 Bm7 A7-5

I still hear you saying, " Dear one hold me fast."

And I start in praying: oh Lord, please let this last.

We...seemed to float right thru the air,

Heavenly songs seemed to come from eve - ry - where.

And now when there's Moonglow way up in the blue,

I'll always remember that Moonglow gave me you,

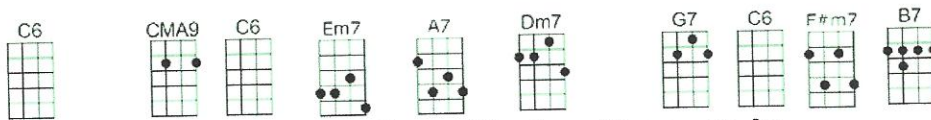

p. 2 Moonglow Medley

That Moonglow gave me you, that Moonglow gave.....me....you.....

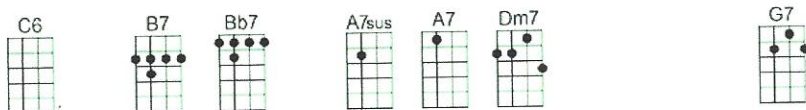

S'wonderful, it's marvelous, you should care for me

It's awfully nice, it's paradise, it's where I long to be

You made my life so glamorous, you can't blame me for being amorous

S'wonderful, s'marvelous, that you should care for,

That you should care for, that you should care for me
