

Nothin' - Sam Rainwater

<http://www.kanikapila.us/lyrics.html>

[G]Today I'm doin nothin'
I've got nothin' scheduled to[D]day
Next week I may do somethin'
but to[A]day nothin's good, what [D]more can I say

I'll [G]spend the day doin' nothin'
'cause nothin' I know is [C]OK
and when I'm doin' [G]nothin' [Em]
it [C]usually [D]takes the whole [G]day

Chorus

[G]AY, YI, YI, [C] YI
[D]I'm doing [G]nothin'
When nothing seems right [D]everything's wrong
Try thinking of nothin' and just sing [G]along

[G]Today I did nothin' right
Nothing I did was [D]wrong
The only mis step that I made all day
Was [A]not doing nothin' but [D]writtin' this song

Some[G]times the best course of action
is to do nothing at [C]all
Cause when you're doin [G]nothin' [Em]
you're [C]usually [D]havin a [G]ball

(Chorus)

BREAK

[Em] Nothin'makes me feel peaceful
[B7] Nothin' makes me serene
[Am] Nothin's as close to heaven as I'll get
So [A]some might say... that [D]nothin' is sacred to me

Right [G]now there's nothin' on my mind
I can't think of anything [D] else
It's not like I've lost it or I'm going insane
It's [A] just right now there's nothin' [D] on my brain

There's [G]nothin' I like more than nothin'
But we all know nothin' aint [C]free
That's why when I'm doin [G]somethin [Em]
I [C]usually [D]charge a large [G]fee

(Chorus) 2x's (Lets all do nothing)
