

PLAY A SIMPLE MELODY

A E7 A C E7

Won't you play a simple melody

E7 C E A C E7 E7/sus

like my mother sang to me,

A E7 A C E7

One with good old fashioned harmony

E7 C E A D9 A E7

Play a simple melody

A E7 A

Musical demon, set your honey a dreamin'

C E7

Won't you play me some rag?

E7 C E

Just change that classical nag

A C E7 E7/sus

To some sweet beautiful drag

A E7 A C

If you will play from a copy of a tune that is choppy

E7 C

You'll get all my applause

E7

And that is simply because

E7 C E A D9 A E7

I want to listen to rag
