

No Surrender

Well, we ^Gbusted out of class, had to get away from the fools ^D
 We learned more from a 3 minute record, than we ever learned in school ^G ^D
 Tonight I hear that neighbourhood drummer sound ^G
 I can feel my heart begin to pound ^D
 You say you're tired and you just want to close your eyes ^C
 And follow your dreams down ^G ^D

Chorus 1

Well, we ^Gmade a promise, swore we'd always remember ^D ^C ^G
 No retreat, baby, no surrender ^C ^D ^G
 Like soldiers on a winter's night with a vow to defend ^G ^D ^C ^G
 No retreat, baby, no surrender ^C ^D ^G

Well ^Gnow young faces grow sad and old and hearts of fire grow cold ^D
 We swore blood brothers against the wind, I'm ready to grow young again ^C ^D
 And hear your sister's voice calling us home across the open yard ^G
 Maybe we'll find someplace of our own with these drums and these guitars ^C ^D ^G ^D

Chorus 2

Well, we ^Gmade a promise, swore we'd always remember, ^D ^C ^G
 No retreat, baby, no surrender ^C ^D ^G
 Blood brothers on a stormy night with a vow to remember ^G ^D ^C ^G
 No retreat, baby, no surrender. ^C ^D ^G

Well ^Gon the streets tonight, the light's growing dim ^D
 The walls of my room are closing in ^C
 There's a war outside still raging, you say it ain't ours anymore to win, ^G ^D
 I want to sleep beneath the peaceful skies in my lover's bed ^G ^D
 With that wild open country in our eyes and those romantic dreams in my head ^C ^G ^D

Repeat Chorus 2
