

# Night Life

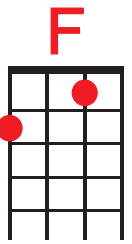

by Willie Nelson, W. Breeland, P. Buskirk

<sup>C</sup> When the evenin' sun goes down <sup>C7</sup>

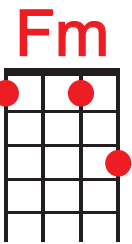

You will find me hangin' 'round <sup>F</sup> <sup>Fm</sup>

The night life ain't no good life <sup>C</sup> <sup>G7</sup>

But it's my life! <sup>C</sup> <sup>F</sup> <sup>G7</sup>

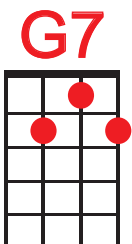

Many people just like me, <sup>C</sup> <sup>C7</sup>

Dreamin' of old used-to-be <sup>F</sup> <sup>Fm</sup>

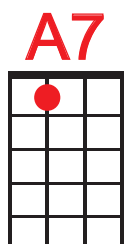

and the night life ain't no good life, <sup>C</sup> <sup>G7</sup>

But it's my life! <sup>C</sup> <sup>F</sup> <sup>C</sup>

Listen to the blues, they're playin'..... <sup>C</sup> <sup>C7</sup> (hold this C7 out for 3 more bars)

Listen to what the blues are sayin'..... <sup>F</sup> <sup>C</sup> (for 2 bars) <sup>G7</sup>

Mine is just another scene, <sup>C</sup> <sup>C7</sup>

From the world of broken dreams <sup>F</sup> <sup>Fm</sup>

and the night life ain't no good life <sup>C</sup> <sup>G7</sup>

But it's my life! <sup>A7</sup>

Oh, the night life ain't no good life, <sup>F</sup> <sup>G7</sup>

But its my ----- life! <sup>C</sup> <sup>F</sup> <sup>C</sup> <sup>C7</sup> <sup>C</sup>
