

Wasted on the Way

Crosby Stills and Nash

Ukulele club of Santa Cruz
Burning Uke III 2005

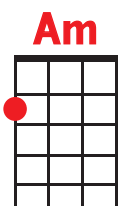

C **Am** **Em**
Look around me, I can see my life before me

F **G7** **C**
Running rings around the way it used to be

Am **Em**
I am older now, I have more than what I wanted

F **G7** **F** **C**
But I wish that I had started long before I did

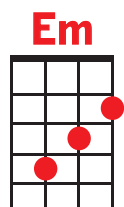

F **G7** **C** **Am**
And there's so much time to make up everywhere you turn

F **G7** **C** **C7**
Time we have wasted on the way

F **G7** **C** **Am**
So much water moving underneath the bridge

F **G7** **F** **C**
Let the water come and carry us a-way

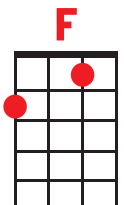

C **Am** **Em**
Oh, when you were young, did you question all the answers

F **G7** **C**
Did you envy all the dancers who had all the nerve

Am **Em**
Look around you now, you must go for what you wanted

F **G7** **F** **C**
Look at all my friends who did and got what they deserved

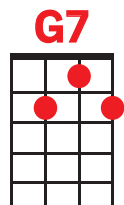

F **G7** **C** **Am**
So much love to make up everywhere you turn

F **G7** **C** **C7**
Love we have wasted on the way

F **G7** **C** **Am**
So much water moving underneath the bridge

F **G7** **F** **C**
Let the water come and carry us a-way

REPEAT Chorus and finish up with...

F **G7** **F** **C**
Let the water come and carry us a-way
