

ANNIE LENNOX

Annie Lennox has condemned the media's obsession with "celebrity culture" for keeping the AIDS pandemic off the front page. In an attempt to counter this, she wore a T-shirt emblazoned with the words "HIV positive" at the 25th Anniversary Rock & Roll Hall of Fame concert at Madison Square Garden in 2009, and also during a recorded performance for American Idol. In June 2010, she was named as a UNESCO Goodwill Ambassador for AIDS
