

Somewhere there's music, how faint the tune

Somewhere there's heaven, how high the moon

There is no moon above when love is far away too

Till it comes true that you love me as I love you

Somewhere there's music, how near, how far

Somewhere there's heaven, it's where you are

The darkest night would shine if you would come to me soon

Until you will, how still my heart how high the moon

Somewhere there's music, how faint the tune

Somewhere there's heaven, how high the moon

The darkest night would shine if you would come to me soon

Until you will, how still my heart how high the moon

How High the Moon
