It had to be uke, it had to be uke,
          A7
I wandered around, and finally found
           A7
the somebody who
              D   Cdim   Em
Could make me be true, Could make me be blue,
      A7   Em   A7   D   D7
Or even be glad, just to be sad just thinking of you
D7   G   E7
Some others I've seen, might never be mean,
         A7
Might even be cross or try to be boss,
            A7
But they wouldn't do,
        C   Cm
For nobody else gave me the thrill
          G   B7   Em
With all your faults dear, I love you still,
        D7   G
It had to be uke, wonderful uke, it had to be uke!
