 A Mule? (rest) ←  
 G            C            G            C  
 A mule is an animal with long funny ears.  
 G            C            G  
 Kicks up at anything he hears.  
 A7                      D  
 His back is brawny but his brain is weak.  
 A7                      D            D7  
 He's just plain stupid with a stubborn streak.  
 G            C            G            E7  
 And by the way, if you hate to go to school.  
 A7            D7            G  
 You may grow up to be a mule, or... CHORUS

 A Pig? (rest) ←  
 G            C            G            C  
 (rest) A pig is an animal with dirt on his face:

 His shoes are a terrible disgrace.  
 A7                      D  
 He has no manners when he eats his food.  
 A7                      D            D7  
 He's fat and lazy and extremely rude:  
 G            C            G            E7

 A7            D7            G  
 You may grow up to be a pig, or...CHORUS

G  
 A Fish? (rest) ←  
 G            C            G            C  
 A fish won't do anything, but swim in a brook:  
 G            C            G  
 He can't write his name or read a book.  
 A7                      D  
 To fool the people is his only thought.  
 A7                      D            D7  
 And though he's slippery, he still gets caught:  
 G            C            G            E7  
 But then if that sort of life is what you wish.  
 A7            D7            G  
 You may grow up to be a fish.

E7                      A7  
 And all the monkeys aren't in the zoo:  
 D7                      G  
 Every day you meet quite a few.  
 E7                      A7  
 So you see it's all up to you  
 D7                      G            E7  
 You can be better than you are.  
 A7                      D7            G            E7  
 You could be swingin' on a star  
 (slowly)  
 A7                      D7            G  
 You could be swingin' on a star!
