

^G
I don't believe in superstars
Organic food or foreign cars
I don't believe the price of gold
The certainty of growing old

I BELIEVE IN YOU
sung by Don Williams

^{D7}
That right is right and left is wrong
That north and south can't get along
That east is east and west is west
And being first is always best

^C ^G
But I believe in love I believe in babies
^{D7} ^G
I believe in Mom and Dad and I believe in you

I don't believe that heaven waits
For only those who congregate
I like to think of God as love
He's down below He's up above

^{D7}
He's watching people everywhere
He knows who does and doesn't care
^G
And I'm an ordinary man
Sometimes I wonder who I am

^C ^G
But I believe in love I believe in music
^{D7} ^G
I believe in magic and I believe in you

^C
Well I know with all my certainty
What's going on with you and me
^G ^{D7} ^G
Is a good thing It's true I believe in you

I don't believe virginity
Is as common as it used to be
In working days and sleeping nights
That black is black and white is white

^{D7}
That Superman and Robin Hood
Are still alive in Hollywood
^G
That gasoline's in short supply
The rising cost of getting by

^C ^G
But I believe in love I believe in old folks
^{D7} ^G
I believe in children and I believe in you
