

3) It first marched left and then marched right and then marched under a chair  
 And when I looked where it had gone it wasn't even there  
 I started to sob and daddy laughed, for he knew what I would find  
 When I turned around my marvelous toy, chugging from behind

**CHORUS**

It went ZIP when it moved, and BOP when it stopped  
 And WHIRRR when it stood still  
 I never knew just what it was And I guess I never will

4) The years have gone by quickly it seems, I have my own little boy  
 And yesterday I gave to him, my own marvelous little toy  
 His eyes nearly popped right out of his head and he gave a squeal of glee  
 Neither one of us knows just what it is but he loves it just like me

**CHORUS**

It went ZIP when it moved, and BOP when it stopped  
 And WHIRRR when it stood still  
 I never knew just what it was And I guess I never will
