

Waltz Across Texas

(G) When we dance together, my (D) world's in disguise

It's a fairyland (D7) tale that's come (G) true

When you look at me with those (D) stars in your eyes

I could (D7) waltz across Texas with (G) you

(Chorus)

(G) Waltz across Texas with (D) you in my arms

(D7) Waltz across Texas with (G) you

(G) Like story-book ending, I'm (D) lost in your charms

And I could (D7) waltz across Texas with (G) you

(G) My heartaches and troubles are (D) just up and gone

The moment that (D7) you come in (G) view

And with your hand in mine dear, I could (D) dance on and on

I could (D7) waltz across Texas with (G) you

(Chorus)
