# All the Way

When somebody loves you, it's no good unless she loves you all the way

Happy to be near you When you need someone to cheer you all the way

Taller than the tallest tree is That's how it's got to feel

Deeper than the deep blue sea is That's how deep it goes if it's real

When somebody needs you it's no good unless she needs you all the way

Through the good or lean years And for all the in-between years

Come what may

Who knows where the road will lead us only a fool would say,

But if you let me love you It's for sure I'm gonna love you

All The Way

All The Way
