

Catch the Wind

Donovan Leitch

Intro: G / C - D / G - C / G - D

G / C / G / C

In the chilly hours and minutes, of uncertainty, I long to be

G / C - D / G / D

In the warm hold of your loving mind

G / C / G / C

To feel you all around me, and to take your hand along the sand

G / C - D / G - C / G - D

Ah but I may as well try and catch the wind

G / C / G / C

When sundown pales the sky, I want to bide awhile behind your smile

G / C - D / G / D

And everywhere I'd look your eyes I'd find

G / C / G / C /

For me to love you now would be the sweetest thing, 'twould make me sing

G / C - D / G - C / G

Ah but I may as well try and catch the wind

C / Bm / Em / A / D / D

Dee dee dee dee . . .

G / C / G / C

When rain has hung the leaves with tears, I want you near to quell my fears

G / C - D / G / D

To help me to leave all my blues behind

G / C / G / C

Standing near your soul is where I want to be, I long to be

G / C - D / (rit.) G - C / G

Ah but I may as well try and catch the wind

***6/8 time. Each chord symbol = 6 beats, except hyphenated chords, which = 3 beats each.**
