In the chilly hours and minutes of uncertainty I want to be
in the warm hold of your lovin' mind
To feel you all around me, and to take your hand along the sand,
ah but I may as well try and catch the wind

When sundown pales the sky I want to hide a while
behind your smile, and everywhere I'd look, your eyes I'd find
For me to love you now would be the sweetest thing, t'would make me sing
ah but I may as well try and catch the wind
Di di dee, di dee dee, di di dee, dee dee, di di dee

When rain has hung the leaves with tears I want you near
to kill my fears, to help me to leave all my blues behind
For standin' in your heart is where I want to be and long to be,
ah but I may as well try and catch the wind
ah but I may as well try and catch the wind
