

**A7** Oh give me **D** land, lots of land

Under starry skies above

**A7** Don't fence me in

Let me ride through the wide open country that I love

**D** Don't fence me in

Let me be by myself in the evening breeze

**G** Listen to the murmur of the cottonwood trees

**D** Send me off forever but I ask you please,

**D** **A7** **D** Don't fence me in

**D7** **G** Just turn me loose, let me straddle my old saddle

**D** Underneath the western skies

**D7** **G** On my Cayuse let me wander over yonder

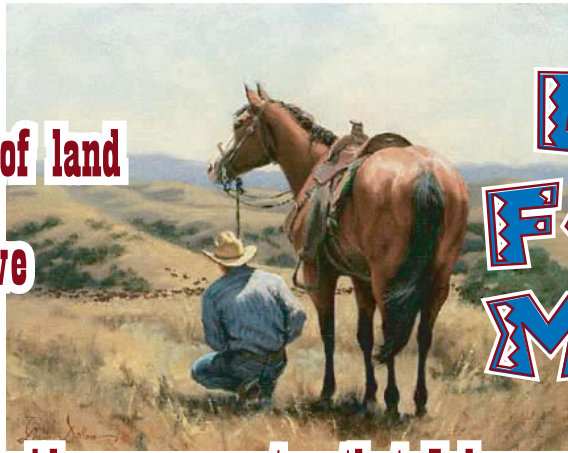

**D** **A7** 'Til I see the mountain rise

**D** I want to ride to the ridge where the west commences

**G** Gaze at the moon untill I lose my senses

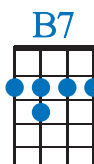

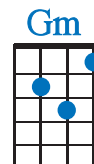

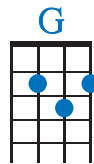

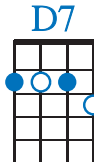

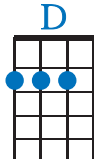

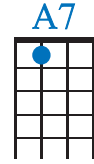

**D** I can't look at hobbles and I can't stand fences

**D** **A7** **D** Don't fence me in
