F Am Dm F 171
Hear the lonesome whippoorwill
F Am Cm
He sounds too blue to fly
Bb Bbm F Dm
The midnight train is whining low
F C F C
I'm so lonesome I could cry

F Am Dm F
I've never seen a night so long
F Am Cm
when time goes crawling by
Bb Bbm F Dm
The moon just went behind a cloud
F C F C
to hide it's face and cry

F Am Dm F
Did you ever see a robin weep
F Am Cm
when leaves begin to die
Bb Bbm F Dm
That means he's lost the will to live
F C F C
I'm so lonesome I could cry

F Am Dm F
The silence of a falling star
F Am Cm
lights up a purple sky
Bb Bbm F Dm
And as I wonder where you are
F C F
I'm so lonesome I could cry
