

Island In The Sun

G **C**
This is my island in the sun
D7 **G**
Where my people have toiled since time begun
C
I may sail on many a sea
D7 **G**
Her shores will always be home to me

- Chorus -

G **C**
Oh, island in the sun
D7 **G**
willed to me by my father's hand
C
All my days I will sing in praise
D7 **G**
Of your forest, waters, your shining sand

G **C**
As morning breaks the heaven on high
D7 **G**
I lift my heavy load to the sky
C
Sun comes down with a burning glow
D7 **G**
Mingles my sweat with the earth below

- Chorus -

G **C**
I see woman on bended knees
D7 **G**
cutting cane for her family
C
I see man at the waters side
D7 **G**
Casting nets at the surging tide

- Chorus -
