

Night Life

Key of C

**C** **C7**  
When the evening sun goes down  
**F** **fm**  
You can find me, hanging around  
**C** **G7**  
Oh, the Night Life, ain't no good life  
**C** **G7**  
But it's my life

**C** **C7**  
Many people just like me  
**F** **fm**  
Dream of old used to be's  
**C** **G7**  
Oh, the Night Life, ain't no good life  
**C** **G7**  
But it's my life

**C** **C7**  
Oh, listen to the blues they're playing  
**F** **C** **G7**  
Listen, what the blues are saying

**C** **C7**  
Mine is just another scheme  
**F** **fm**  
In a world of broken dreams  
**C** **G7**  
Oh, the Night Life ain't no good life  
**C**  
But it't my life
