

Old Biddie from Sun City

By Happy Anderson Tune - Okie From Muskogee (Merle Haggard)

(tacet) G

We can... now smoke marijuana in Sun City

D

Since they passed Proposition 203

But only if you've got a medical prescription

G

'Cause we like livin' right and bein' free

G

We always make a party out of leavin'

D

When the Snowbirds are ready to go home

Some might get a little tipsy on Moscato

G

While others could possibly get stoned

(Chorus) G

I'm proud to be an Old Biddie from Sun City

D

A place where we complain about doggie poop

Then we gather here at the Fairway Music Center

G

To pick and sing with our ukulele group

G

Doctor Scholls keeps us all in comfy footwear

D

Sexy Stiletto heels are rarely seen

Zumba Class is the roughest thing we have here

G

And everyone respects the Pickleball Team

(2nd chorus) G

I'm proud to be an Old Biddie from Sun City

D

A place where you'll see many shades of gray

But we still wave Old Glory in Sun City

G

In Sun City, Ar-i-zo-na, USA

(Tag) Yes, (D) we still wave Old Glory whenever we want to

In Sun City, Ar-i-zo-na, USA (G)
