

PLAY A SIMPLE MELODY

A E7
Won't you play a simple melody
E7 A
like my mother sang to me,
A E7
One with good old fashioned harmony
E7 A
Play a simple melody

A
Musical demon, set your honey a dreamin'
E7
Won't you play me some rag?
E7
Just change that classical nag
A
To some sweet beautiful drag

A A A
If you will play from a copy of a tune that is choppy
E7
You'll get all my applause
E7
And that is simply because
E7 A
I want to listen to rag
