

Poor Little Fool

First note-B

I [G]used to play a-[Em]round with hearts that[C]hast-ened at my[D]call,
But [G] when I met that[Em]little girl, I [C]knew that I would[D7]fall.

Chorus

Poor little [G] fool, oh [Em] yeah._ [C] I was a [D] fool,_ uh -[G] huh
(Uh huh,[Em] poor little fool.[C] I was a fool, oh[D]yeah.)

She'd [G]play around and [Em]tease me, With her[C] carefree devil [D]
eyes.

She'd [G] hold me close and [Em]kiss me, but [C] her heart was full of [D7]
lies.

Chorus

She [G] told me how she [Em] cared for me, [C] That we'd never [D] part,
And [G] so, for the [Em] very first time,[C] I gave away my [D7] heart.

Chorus

The [G] next day she was[Em] gone, And [C] I knew she lied to [D] me.
She [G] left me with a [Em] broken heart, [C] Won her [D7] victory

Chorus

Well,[G] I've played this game with[Em] other hearts, But [C] I never
thought I'd [D] see

The [G] day when someone [Em] else would play [C] love's foolish game
with [D7] me. **Chorus...(tag first line of chorus and one strum on last
chord[G])**
