

Snowbird

Gene MacLellan

(4/4, each chord symbol = 4 beats)

Intro: Am D7 G G

G Bm Am Am

Beneath this snowy mantle cold and clean,

D7 D7 D7 G G

The unborn grass lies waiting for its coat to turn to green

G Bm Am Am

The Snowbird sings the song he always sings

D7 D7 D7 G G

And speaks to me of flowers that will bloom again in spring

G Bm Am Am

When I was young my heart was young, then too

D7 D7 D7 G G

And anything that it would tell me that's the thing that I would do

G Bm Am Am

But now I feel such emptiness within

D7 D7 D7 G G

For the thing that I want the most in life's the thing that I can't win

G Bm Am Am

So spread your tiny wings and fly away

D7 D7 D7 G G

And take the snow back with you where it came from on that day

G Bm Am Am

The one I love forever is untrue

D7 D7 D7 G G

And if I could, you know that I would fly away with you

G Bm Am Am

The breeze along the river seems to say

D7 D7 D7 G G

That he'll only break my heart again should I decide to stay

G Bm Am Am

So little Snowbird take me with you when you go

D7 D7 D7 G G

To that land of gentle breezes where the peaceful waters flow

REPEAT CHORUS, add tag:

D7 D7 C C Am7 G G G G (single strum)

Yeah, if I could you know that I would fly away with you.
