Strangers in the Night

Bert Kaempfert, Charles Singleton, Eddie Snyder

C / CM7 / G / G /

C / **C** /
Strangers in the night, exchanging glances
CM7 / **CM7** /
Wondering in the night what were the chances
C6 / **C6** / **Dm** / **Dm** /
We'd be sharing love before the night was through
Dm / **Dm** /
Something in your eyes was so inviting
Dm7 / **Dm7** /
Something in your smile was so exciting
Dm6 / **G** / **C** / **C**
Something in my heart told me I must have you

CHORUS

Gm7 / **Gm7** /
Strangers in the night, two lonely people
A7 / **A7** /
We were strangers in the night up to the moment
Dm / **Fm** /
When we said our first hello, little did we know
C **Am** / **Dm** **G** /
Love was just a glance away, a warm embracing dance away

C / **C** /
And ever since that night we've been together
CM7 / **CM7** /
Lovers at first sight in love forever
G / **G** / **C** / **C** /
It turned out so right for strangers in the night

Repeat CHORUS

D / **D** /
And ever since that night we've been together
DM7 / **DM7** /
Lovers at first sight in love forever
A / **A** / **D** / **D** /
It turned out so right for strangers in the night
