

We're the Sun City Ukulele Club

Intro: vamp on C

(C) When we all retired
To (F) watch the days go (C) by
We heard about the ukulele
And (D7) thought we'd give it a (G) try

So we (C) headed down to (C7) Fairway
On a (F) Thursday after- (C) noon
(F) Pretty soon we were (C) picking and strumming
To some (G) ukulele (C) tunes

CHORUS:

We're the (F) Sun City Ukulele (C) Club
(F) Playing together beneath the desert (G) sun
(C) You're all welcome to (C7) join us
And have some (F) ukulele (D7) fun
We're the (C) Sun City (G) Ukulele (C) Club

(C) We play songs you know
(F) We can teach you the (C) chords
It's easy enough to learn
If (D7) you can count to (G) four

So (C) come on down to (C7) Fairway
Every (F) Thursday after- (C) noon
(F) Pretty soon you'll be (C) strumming along
With those (G) ukulele (C) tunes

Repeat **CHORUS**

BRIDGE: (F) Once you start, you can't put it (C) away
(F) Before you know it, it's the end of the (G) day

Repeat **CHORUS**, tag with:

(C) You're all welcome to (C7) join us
And have some (F) ukulele (D7) fun
We're the (C) Sun City (G) Ukulele (C) Club
