

# White Christmas

**G** **Ami D7**

I'm dreaming of a White Christmas

**C G**

Just like the one I used to know

**G7**

Where the treetops glisten

**C Cmi**

and Children listen

**G A7 D7**

To hear sleigh bells in the snow

**G** **Ami D7**

I'm dreaming of a White Christmas

**C G**

With every Christmas card I write

**G7 C Cmi**

May your days be merry and bright And

**G D7 G**

May all your Christmases be white
